QUARTERLY REPORT – JUNE 2024

VIP Gloves Limited ('VIP' or the 'Company') presents its operation and activity update along with the attached Appendix 4C cash flow statement for the quarter ended 30 June 2024 :

Operations during the June 2024 quarter

Receipt from trading business during the fourth quarter of FY2024 (April to June 2024) was A\$0.50 million, translated to A\$2.64 million for the financial year. The Company's trading activity of glove products remains stable, and in the absence of resuming its manufacturing operations, will temporarily be the main source of revenue for the Company.

Disposal of fixed assets

On 2 May 2024, the Company vide its 100%-owned subsidiary KLE Products Sdn Bhd has entered into a Sale and Purchase Agreement with Messrs Target Precast Industries Sdn Bhd for the disposal of a non-core vacant land measuring 13,203 sq meter for a total cash consideration of RM7,952,313 (approx. \$2.56 million). After net off mortgage redemption, payment of tax and legal fee, the total cash inflow from this exercise is expected to be about \$1.0 million as working capital for the group. The transaction is targeted to complete by early-2025.

Legal action update

The ongoing legal action brought against the company since 2020 remained on-going, and is currently awaiting for trial at the Malaysian High Court. The Company maintained its position that the action taken by the plaintiff was frivolous and vexatious and will defend its position.

Prospects

Despite facing cashflow challenges in the near term, the Company remained positive to resume its manufacturing operations during the current year. Management has started to make initial planning work for the imminent resumption of manufacturing activities.

The release of this announcement was authorised by Mr Chin Kar (Jimmy) YANG on behalf of the Board of VIP.

Mark Maine
Company Secretary

8.6 If Item 8.5 is less than 2 quarters, please provide answers to the following questions:

1. Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Yes - While the ration in item 8.5 is not less than two quarters the following information is provided. The Group has ceased all glove manufacturing operations and has reduced its workforce. In the meantime, the Group is continuing its trading activities of nitrile glove products. Future receipts and payments relate to collection of glove trading sales, balance proceed from disposal of factory land and building, payment of outstanding creditors, and payroll expenses. Third party financial support and an inflow of funds from the sale of land and buildings will enable the company to meet outstanding creditors and provide working capital for ongoing operations.

2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

The company has received a letter of support from a major shareholder provide financial support to fund the company's operations. The company has also secured the sale vacant land adjoining the factory site to be settled in the back half of the 2024 calendar year.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Yes, with the steps instigated by the company in point 1 and 2 above, the company is still able to meet its commitments.
